The Kentucky Chapter of IAAO

About the Kentucky Chapter

The Kentucky Chapter of IAAO was chartered in 1996 and currently has over 400 members. The Kentucky Chapter has been honored by IAAO as the Outstanding Chapter six times since 2000.

Kentucky Chapter members bring years of combined experience in all areas of property valuation assessment and include PVAs and deputies, Department personnel and industry professionals.

The Chapter is governed by an Executive committee which includes the Executive Director, the Chapter officers (President, Vice President, Secretary and Treasurer), the state IAAO representatives, the Immediate Past President of the Chapter and four additional members voted on by the Chapter (one PVA, one PVA Deputy, one revenue employee and one at-large).

The Benefits of Membership

For only \$20.00 a year, members receive numerous benefits, including the following:

Education

Membership in the Kentucky Chapter qualifies students for registration at a reduced cost for IAAO courses sponsored by the chapter.

As part of a joint effort with the Kentucky PVA Association, the Chapter awards scholarships to members every year. The program was established to provide financial assistance for qualified students toward the expense of taking Kentucky Classes or IAAO classes. Over \$100,000 in scholarships have been awarded since the program was started.

IAAO professional designations are recognized across the nation as a high achievement. The designation committee of the chapter is available to help members who wish to achieve this goal. The committee is available for support and to guide candidates through the process. The chapter has offered required courses free of charge to assist members enrolled in the IAAO professional designation candidacy program.

Service

The Kentucky Chapter offers many opportunities to serve the community. At least once a year the Chapter participates in a fund-raising or service-oriented effort. Previous chapter projects have benefitted Kosairs Childrens Hospital, Ronald McDonald House, Cardinal Hill Hospital, Owensboro Animal Shelter, Portland Promise, and most recently, Simon House.

Opportunities

As a member of the Kentucky Chapter you will have the opportunity to make new friends and meet new people. The Chapter hosts receptions during the Summer and Fall Conference that allow the opportunity to network, catch up with old friends and make new ones.

All chapter members have the opportunity to serve on one of six committees: Membership, Public Relations, Education, Designation, Nominating and Budget. Several members of the Kentucky Chapter represent Kentucky at a national level: Karen Bushart, Clark County PVA; Ben Brown, Logan County PVA; and Jason Chinn, Ohio County PVA serve as IAAO State Representatives. Karen Bushart also serves as the Southern Regional Representative for IAAO.
